So Proud!

Congratulations Class 1 gymnasts who performed so brilliantly on Monday. We had lots of individual medals winners and ALL of the children tried their best. We are very proud of you all. Many thanks to the parents who helped, training the team and helping on the day.

Vision evening update

Thank you to all those who were able to take part in the recent vision evening. It was a fantastic turn out on a dark wet night! The responses have now been collated and a small group is meeting the week after half-term to look at them with Ian George, and with his help, to look at possible actions.

Parents evenings

I think most parents have signed up for parents evenings next week. If you haven't yet, the sheets are outside the office, or please call for an appointment. I will be around for both meetings, if there is anything that you would like to speak to me about.

First day contact reminder

Can I please remind parents that because of our safeguarding rules, we need a phone call in the morning if your child is not well enough to be in school and that it is not enough to pass a message on with a sibling.

Bags to school

Please see attached letter – an easy way of fundraising for school.

End of term – Thursday 29th March

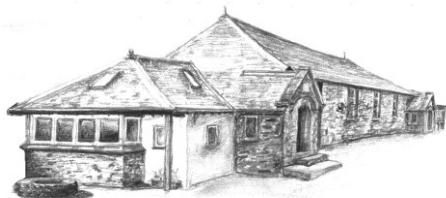

Advance information that school will be finishing at 1.30pm for the Easter holidays. The SSA will be holding an Easter disco for the children from 1.30pm – 3.30pm in the school hall. Cost £5. They are also planning an Easter egg treasure hunt for the morning – details to follow.

Newsletters

We have had various comments about preferences for paper v electronic newsletters and pros and cons of each. We propose to continue to email but also to send one paper copy to each family. If you would prefer not to also receive a paper copy, please email Zoe and we will ensure that you don't get sent one.
